Should we be submitting any kind of formal statement/letter of support on behalf of the BID?

I assume CCA already has something.

Marie will attend as well. I think that will be good as far as representation.

See Elizabeth's request below. Would it make sense to have Brian testify as well - from a public safety and maintenance standpoint?

Hi Nick,

I am sorry for the short notice. I could really use your help. NOMAD hotel has been appealed all the way to City Council. Council member Huizar is indicating that he will support this ridiculous appeal. If we loose many of the hotels slated to open in the next couple of years will not.

Is there any way you could come and testify on behalf of the Hotel at 2:30 tomorrow at plum.

If you have a moment to read the appeal by the Union attached, you will see the ludicrous nature of the appeal.

Thank you so much.
Elizabeth
